TENA Slip
A traditional all-in-one.

For those who require or prefer an All-in-one product, TENA Slip offers increased absorption and leakage security in three levels and sizes to meet individual requirements. TENA Slip has a FeelDry™ layer that provides outstanding dryness and leakage security. Latex free.

**TENA Slip Fitting Guide – Standing and Lying**

**TENA Slip do’s and don’ts**

✓ Measure around the hips for correct size
✓ Assess for correct absorbency
✓ Fold pad lengthways to create bowl shape
✓ Fit from front to back
✓ Seal bottom tabs pointing upwards and top tabs pointing downwards
✓ Ensure a close fit is achieved

✗ Never place one pad inside another to increase absorbency
✗ Never use talc, as it reduces the absorbency of the product
✗ When creams are prescribed, used sparingly to ensure the product works effectively
